

# Livestock Risk Management

## A Smarter Way to Market Livestock: Explore the Difference

**Ever.Ag's livestock risk management advisors offer tailored, data-driven insights, innovative technology and a strong commitment to partnering with you every step of the way. With a proactive approach, we empower clients to tackle market volatility with greater resilience and adaptability.**

### Gain a Clear Picture of Your Break Even

Unlike generalized advisory services, we offer tailored risk management, working closely with producers to align strategies with their unique goals, operations and market conditions.

### Identify Your Risk

We leverage a robust suite of market data tools and analytics for price trends, risk assessments and forecasts, helping advisors craft tailored risk management strategies based on current conditions.

### Navigate Challenges with Unmatched Experience

Rather than just offering a transactional service, we prioritize building long-term relationships with producers. With over 20+ years of industry experience, we provide specialized guidance and remain engaged with clients year-round, helping navigate both the ups and downs in the market.

## Which tools would you like to learn more about today?

- Brokerage, Futures, Options, OTC
- Livestock Risk Protection Insurance (LRP) for Cattle and Swine
- Livestock Gross Margin Insurance (LGM) for Cattle and Swine
