

Managed Services

Dairy supply chains are complex, with high-value, perishable products moving 24/7 with major product and liability risks. A single delay, misstep, or bad trade can cost thousands.

THE SOLUTION

Ever.Ag Managed Services provides full coverage for milk and commodity scheduling, trading, and transport—every day, including weekends and holidays.

HOW WE DO IT

- A proven team with 150+ years of combined experience
- Extensive trading and hauling networks
- Gold-standard dispatch and trading platforms
- KPI reviews to ensure accountability and improvement

THE RESULTS

- Optimized trading outcomes
- Lower transportation costs
- Improved service and supplier relationships
- Relief from weekend/after-hours stress

Let us take the stress off your team.
